A desire for all Navajo children to grow into beautiful individuals both mentally & physically.

Navajo Nation Growing In Beauty Home Visiting Program

A program for all parents, prenatal mothers and their children birth to 5 years of age.

 **parents as teachers** AFFILIATE

Supporting Families Successes through Home Visiting

Home Visiting on the Navajo Nation has supported many prenatal mothers and families with young children age birth to five (5) by helping build protective factors that reduce abuse & neglect, strengthening relationships and to promote child development. So that, our Navajo families grow healthy successful children.

RESEARCH SHOWS THAT 90% OF A CHILD BRAIN IS DEVELOPED BY THE AGE OF FIVE (5).

Home Visiting Services includes:

- Personal monthly home visits and family lessons.
- Complete developmental screenings for children.
- Referrals & Resources to local programs.
- Monthly Family Group Connections with families.
- Early Childhood Literacy books and activities.
- Promote Navajo Language & Culture with families.

**'ALL CHILDREN WILL LEARN,
GROW, AND DEVELOP TO
REALIZE THEIR FULL
POTENTIAL'**

~ Parents as Teachers

Benefits of Home Visiting

- Healthier parents & children.
- Children are safer.
- Promotes School Readiness.
- Increase Self Sufficiency.
- Increase Parent understanding about child development.
